

**...BEHOLD, THE KINGDOM OF GOD**

**IS WITHIN YOU!**

So here we are. The ultimate wrath is imminent & it has everything to do with the fact that we've allowed our hearts to harden, to become uncircumcised towards God & towards one another. Innocent Eve signed a contract with the enemies of God who have since kept us in psychological bondage throughout the millennia. God's grief has been to watch us make the same mistake generation to generation. Repeatedly He has offered us a way out of Egypt & repeatedly we have taken the Satanic caravan straight back to mental torment. The dog does indeed return to its own vomit. Emotional anguish compels us to encapsulate our broken hearts under hardened layers of fear, anger, unforgiveness & mistrust. Consequently, even the best among us have succumbed to imitating the very tormentors we despise. Destruction is so much easier than creation.

'And this is the condemnation,  
that light is come into the world,  
& men loved darkness rather than light...'  
John 3:20

Freud was right when he determined that sexual energy motivated all human behavior. Make no mistake, Eve's seduction in the garden was of a sexual nature. By succumbing to the "wrong" man she evidently opened the portal to a cruel satanic game world. To the creatures the bible refers to as 'fallen angels' our species is nothing more than a stupid, easily manipulated slave race that serves as their meat market for perverse sexual indulgences. Remember angels are part beast, devoid of the tender emotions of the foolish human heart.

From whence come wars & fightings among you?  
Come they not hence,  
even of your lusts that war in your members?  
James 4:1

To repeat what I wrote in a Letter to a Friend, it is the fact that the human genome has been deciphered & that human-beast DNA experiments are in the works that makes this the "LAST GENERATION" as described in the book of Enoch. The tender-hearted human will soon share this world with sexually hungry monsters who think our easily manipulated emotions are "funny" (as in ha ha). The biblical "fire" that burns eternally is abusive sexual fire. Sound tempting? Remember, loveless sex breeds all the forms of DYSFUNCTIONAL MISERY. Truly, destruction is so much easier than creation.

The double harvest is NOW. These demons are choosing their "mates" & consent has nothing to do with whether or not you're on the list. The slightest inclination you may retain towards the sexually masochistic, sadistic or, yes, homosexual fantasy makes you highly tempting to these women haters. God intended the sexual experience to express heart-love, warmth & intimacy. He will not & cannot tolerate any form of sexual perversion in His New World. The ONLY chance you have to be shifted out is if you wholly reconcile with God the Father & His Son, Yeshua of Nazareth. They honor us by calling us sons made in their 'image' & they are longing to pull as many of us to safety (as in mental health & happiness) as possible.

And if Christ be in you,  
the body is dead because of sin;  
but the Spirit is  
life because of righteousness.  
Romans 8:10

Yes, it turns out Freud was accurate when he said that sexual compulsion was fundamental to the human psyche. However, he was incorrect when he pointed to 'mother' as the primary human relationship, the nature of which he believed determined all of our subsequent interactions. The reality is that our relationship with God the Creator is far more primary & essential for optimal emotional health. Once you allow Him to work in your life this becomes evident. The emotional stability, trust & enduring love that you tried & tried & tried to manufacture by yourselves in this broken world is available

world is available but only through total reconciliation with the Creator. It is only through his guidance &, yes, control that we are able to restore the peace that passes all understanding. Why? Because he made us & only He knows how to heal us. Clearly we don't have a clue as to how to achieve genuine mental stability without superior guidance.

Make no mistake, Christ is coming for his own in a very short time. If you're not ready he will have to leave you to your choice. Indecision is itself a decision & not the one I hope you'll make. There are no "do-overs" at this point. And if you think this world isn't dangerous ask yourselves why Christ, God himself, didn't walk the earth during his ministry without 12 strong men at his side.

He came to bring us the rule book that we are supposed to have memorized in order to know how to exit this game world. He was well aware long before his arrival that he would have to be crucified in order to exit but he came anyway BECAUSE HE LOVED US!

(check psalm 22, written 700 BC, if you don't believe me)

Moreover, his first coming was prophesied in EVERY book of the Old Testament. So why didn't he come much earlier? Perhaps because this twisted game forum only has short windows of opportunity for major events. The very fact that Christ would rather have hung on the cross than remain in this damaged world should provide a chilling realization. All of his disciples, with the exception of John who had to stay alive to write the book of Revelation, were crucified as well. It comes down to Christ's admonishment that one must be prepared to abandon the body in order to save the soul (the mind). Out of the 7 churches to whom Christ communicated in the book of Revelation it is only the church of Philadelphia that he promised to save from the wrath to come:

'Because thou hast kept the word of my patience,  
I also will keep thee from the hour of temptation,  
which shall come upon all the world,  
to try them that dwell upon the earth.'

## Revelation 3:10

Some would point to this scripture  
as evidence of a pre-tribulation rapture,  
but I don't think so.

Take a look at what Paul had to say to the Colossians:

'Giving thanks unto the Father,  
which hath made us meet to be partakers  
of the inheritance of the saints in light:  
Who hath delivered us from the power of darkness, & hath  
***translated us into the kingdom of his dear Son.***  
Colossians 1:12-13

What Christ promised the church of Philadelphia & what Paul was describing to the Colossians I believe is the same phenomenon-translation into an experiential safe-place, a holographic visual where God alone is at the controls without any adversarial participation. Imagine that.

How many times have we heard ministers admonishing us that Satan has owned our world since Eve opened the door to his unbridled power. Imagine the God who created us taking back that ownership & re-establishing the environment we require to finally attain to the potential of everything wonderful & good that was originally intended for us. At long last, Ego conquers the primal Id.

Christianity, properly understood, is a faith of hope & restoration. Its values are Truth, love, healing, forgiveness & integrity. It is the fullest expression of creation, diversity & life, anabolic at its core. Its purpose is to create, not destroy.

Compare Islam, which many have dared to weight equally with the Christian faith. Its values are deception, vengeance, destruction & unforgiveness. It is the fullest expression of fascist homogeneity. Its ultimate vision-global extinction of all human cultural diversity, final heat-death of the human psyche. Simply put, the Islamic faith is a religion of annihilation, entropic at its core. Destruction is so much easier than creation.

**You must examine your inner proclivities carefully & make the necessary shifts. Moment to moment, do you choose life or death? If you still haven't abandoned your compulsive addictions & dependencies, you won't be ready. If you are a liar you won't be ready. If you haven't cleaned your heart of unforgiveness you won't be ready. If you love anything or anyone more than God Himself you won't be ready. If you can't release from the past, especially past anger & sadness, you won't be ready. If you fear anything more than God Himself you won't be ready. If you cling to your right to indulge in self-pity rather than focusing on faith, hope & happiness you won't be ready. If you don't love your neighbor as yourself you won't be ready. If you don't care about those in need you won't be ready. Frankly, if you aren't compelled to urgently plead with everyone you know, & even those you don't know, to prepare themselves for the impending judgment, it's probably the clearest evidence you aren't ready. Perfection isn't required, but a genuine striving towards & intimacy with God are non-negotiable.**

**The whistle's blowing & the train's about to shut its doors. Your highest potential awaits you if you will only choose the good, the True & the right things. The bible says God wants to save everybody, His love & compassion is that broad. Sadly, however, He can't & He won't save those unwilling to repent, to make the necessary changes. No exceptions are allowed. Why? Sadly, the human infection must remain in quarantine.**
