

Hear the word of the Lord, ye that tremble at his word;  
Your brethren that hated you,  
that cast you out for my name's sake, said, Let the Lord be glorified:  
but he shall appear to your joy, and they shall be ashamed.  
Isaiah 66:5

### THE GANGSTALKER'S FOLLY

The false mantra first advanced by Oprah that continues to be promoted by both Islam & the Roman Papacy is that there is only ONE god while there are many paths (religions or faiths) by which to access him. Although Christianity is monotheistic insofar as it requires an uncompromised & exclusive allegiance to YHWH, the bible does NOT state that there is only ONE god involved in humanity's millennia-long war against global invasion.

For though there be that are called gods,  
Whether in heaven or in earth,  
(as there be gods many, & lords many,)  
But to us there is but one God,  
The Father,  
Of whom are all things, & we in him;  
& one Lord Jesus Christ,  
by whom are all things,  
& we in him.  
1Corinthians 8:5-6

While the Christian believes there is only ONE God that truly cares about our fate, there are in fact other 'gods' who are conspiratorial in their effort to prevent the salvation YHWH offers us. These are the fallen angels that long ago allied themselves with Satan & that assumed the role of his 'ministers' here on earth. The book of Enoch, written for the last or latter day generation & endorsed biblically in the book of Jude, explains:

....they became ministers of Satan,  
and seduced those who dwell upon the earth.  
Enoch 53:6

Here the angels, who cohabitated with women,  
appointed their leaders:  
and being numerous in appearance made men profane,  
& caused them to err,  
so that they sacrificed to devils as to gods.  
Enoch 19:1-2

These false ministers have cunningly contrived the plethora of our false religions including Roman Catholicism &, later, Islam, as well as the ancient Eastern teachings of Hinduism, Confucianism & Buddhism. Within the scope of Christianity itself their minions today function to dominate mega-church Protestantism, grotesquely distorting & omitting large portions of the authentic Christian doctrine. Please read the following scriptures with care:

**God standeth in the congregation of the mighty;**

**He judgeth among the gods.**

**How long will ye judge unjustly,**

**& accept the persons of the wicked? Selah.**

**Defend the poor & fatherless;**

**Do justice to the afflicted & needy.**

**Psalm 82:1-3**

You must understand that, as Ps 82:1 & 2 clearly state, these 'gods' are not only MIGHTY, but they have an active & legitimate role in humanity's judgment process. Let's continue taking an honest look at what the scriptures actually say:

**Keep not thou silence, O God;**

**Hold not thy peace, & be not still, O God.**

**For, lo, thine enemies make a tumult:**

**& they that hate thee have lifted up the head.**

**They have taken crafty counsel against thy people,**

**& consulted against thy hidden ones.**

**The have said, Come & let us cut them off from being a nation;**

**That the name of Israel may be no more in remembrance.**

**For they have consulted together with one consent;**

**They are confederate against thee.**

**Psalm 83:1-5**

Thus, these mighty gods, that evidently have rights to access & participate in humanity's judgment procedures, are confederate against God's first-born son, the house of Israel. While they institute and control what appear to be a myriad of varying philosophies and philosophical religions, including the current wave of militant atheism, all of these faiths and practices in reality constitute a unified and purposefully orchestrated endeavor to divide the human species against itself for the express goal of destroying our earthly pre-eminence & stripping away our greatest, Christ-given, hope for future aspiration.

Remember this-YHWH's first-born son, Israel, received the double portion of supernatural understanding because it was burdened with the often harrowing obligation of bringing many other sons to Christ. It is important to understand that 'Israel' in this context does not refer to the nation of

Israel proper. Rather, it refers to the Hebrews of the house of Israel that were scattered around the globe as the result of two major invasions that occurred long before the arrival of Christ. Excepting for a minor portion of the tribe of Juda, the Levitical priesthood and the Benjamites, the descendants of these people no longer retain conscious identity of their past. However, they will always be uniquely a kingdom of priests and kings, a peculiar people zealous of good works. It is, therefore, the condition of their hearts that is the most effective gauge to reveal them. Throughout the millennia these are the people YHWH has placed on the front lines to fight his good fight. Christ's apostolic core exemplified the wholehearted abandon to mission with which they conducted their lives. The men chosen by Christ were those who promptly and without reservation abandoned their jobs, families, homes and safety upon being selected for perilous servitude. These were the courageous few who generations later received the 'calling' to crusade for and practice doctrinal authenticity during the Dark Age misery of the Spanish Inquisition. These were the people whose singular vision of Truth caused them to be burned alive and nailed to crosses by the hundreds of thousands under the iron rule of Roman Catholicism, passionately undaunted in their endeavor to disseminate scriptural understanding throughout Europe. These were the brave men and women that willingly migrated to America in the 15th, 16th & 17th centuries knowing that for them religious freedom was an all-consuming necessity and, yes, these were the heroes who succeeded in making our nation the greatest Christian culture on earth. Moreover, these Israelites are the people among us today that continue to struggle under an unyielding burden for Truth and righteousness. These are those who are compelled to war against the enemies of humanity while at the same time willingly sacrifice their own comfort and dreams in order to save as many lives as possible before our end-game battle reaches its culmination. They may not know their bloodline but they are well acquainted with their archetypal hunger & thirst for Truth & the unrelenting compassion that burns within their troubled hearts obligating them again and again to sacrifice for the greater good. Tragically, for all of the goodwill that motivates the authentic members of the Israelite priesthood, the very people they are commissioned to rescue are those the adversarial union has habitually shackled with blind envy, hatred and ignorant rage against them.

In the 1700's Luciferian Freemasonry infiltrated governmental authority as well as 'Christian' theological training schools in this country. It was NOT the Israelite settlers that instituted the practice of African slavery, but rather the Freemasons, imposters of Christianity, that superseded them. Today, this elite class of secret society mischief-makers has perpetuated the contemporary lie within the black American community that black Africans alone constitute the Hebrew nation, thereby setting

up an antagonistic stance against those with whom they should be united in camaraderie and brotherhood.

The strategy of these Freemason planners is as old as the art of war itself - the Hegelian Dialectic. The first phase of social division is to create conditions of cruel injustice within a given community, establishing a senseless multi-generational intimacy with pain, sorrow and self-loathing. The second is to then tap into the rage and indignation of its people, harnessing their seething potential for brutal retaliation and to purposefully direct it against another segment of human society that has also succumbed to the adept and routine manipulations of these global puppeteers that wish to elicit misdirected cynicism from those they seek to weaken & control. The strength of humanity falls, divided and conquered, while the invaders of our world mock on as we blindly, obediently destabilize and annihilate one another. The mission of Christ was intended to provide seekers of righteousness with an escape route out of this cyclical entrapment to adversarial bondage. Unfortunately, the bible is a millennia-long record of missed opportunities for most of the human experience.

A large segment of discontented black Americans have chosen to reject the 'white man's Christianity' altogether, becoming followers of Islam. In fact, many of these people have been recruited to serve as the 'tares among the wheat' within our institutional churches. It would be naïve to miscalculate the effectiveness of their ability to knowingly distort and dilute the Christian doctrine. These infiltrators are literally trained to have a scriptural understanding that significantly surpasses that of the average church member. Moreover, they are highly motivated to make themselves the indispensable core of ministerial supporters as well as to ingratiate themselves as the loving friends or even ideal mates of those authentic Christians they have been ordered to target. Only a select group of the sociopathically-inclined are sufficiently unprincipled to implement this cold-hearted maxim of deceit that advises keeping one's friends close but one's enemies even closer.

What these tares may or may not understand is that their selected targets are not random Christians. Rather they are Christians who are of the Hebraic bloodline. Of course not every Israelite is a Christian. However, every Targeted Individual is an Israelite, the elect of YHWH. Christ gave the following explanation as to why the tares are given a temporary allocation in time to mingle among his chosen:

Another parable put he forth unto them, saying,  
The kingdom of heaven is likened unto a man  
which sowed good seed in his field:  
**But while men slept,**

**His enemy came and sowed tares among the wheat,**  
And went his way.  
But when the blade was sprung up,  
And brought forth fruit,  
Then appeared the tares also.  
So the servants of the householder came and said unto him,  
Sir, didst not thou sow good seed in thy field?  
From whence then hath it tares?  
He said unto them,  
An enemy hath done this.  
The servants said unto him,  
**Wilt thou then that we go and gather them up?**  
**But he said, Nay;**  
**Lest while ye gather up the tares,**  
**ye root up also the wheat with them.**  
Let both grow together until the harvest:  
And in the time of harvest I will say to the reaper,  
Gather ye together first the tares,  
And bind them in bundles to burn the:  
But gather the wheat into my barn.  
Matthew 13:24-30

According to Christ these Christian imposters are so adept at what they do that Jehovah refuses to allow his ministers to expose and extract them from the churches lest his genuine followers should experience a crisis of faith and leave with them.

The success of this invasion is further compounded by the reality that few authentic Christian seekers have been made aware of the fact that the scriptures, when properly understood, are promised not to remain the honey in the mouth experienced by the novice believer but rather will turn to bitterness in the belly as the unspeakable, hard-core mysteries are unveiled to the few that dare to seek them out.

And the voice which I heard from heaven  
Spake unto me again, and said,  
Go and take the little book which is open  
in the hand of the angel which standeth upon the sea and upon the earth.  
And I went unto the angel, and said unto him,  
**Give me the little book.**  
**And he said unto me,**  
**Take it, and eat it up;**  
**and it shall make thy belly bitter,**  
**but it shall be in thy mouth sweet as honey.**  
And I took the little book out of the angel's hand, and ate it up;  
and it was in my mouth sweet as honey:  
and as soon as I had eaten it,

my belly was bitter.  
Revelation 10:8-10

Apostate Christianity would have us believe that shoddy scriptural understanding is sufficient for the salvation of one's soul. This would be true if indeed there were many roads leading to an unfettered God that loves humanity. Sadly, this is not the reality. The truth is that doctrinal precision is an imperative for navigating through this treacherous scenario in which we find ourselves. There are indeed many gods, but there is only ONE path leading to salvation, that being through the Creator's son, Yeshua Hamashiach. Christ himself unequivocally prophesied that the masses were going to get it wrong:

....wide is the gate, and broad is the way,  
that leadeth to destruction,  
and many there be which go in thereat:  
Because strait is the gate, and narrow is the way,  
which leadeth unto life,  
and **few there be that find it.**  
Matthew 7:13-14

Wide path seduction is compelling primarily due to the fact that the ministers of Satan reliably provide their faithful with an abundance of miraculous 'blessings'. Without the capacity to supply a steady provision of supernatural experiences these false religions would simply have to close shop. What is more chilling is the fact that countless ministers and pastors who routinely misinterpret scriptural text, even if unintentionally, will not be received by Christ himself:

Many will say to me in that day,  
Lord, Lord,  
Have we not prophesied in thy name?  
and in thy name have cast out devils?  
and in thy name done many wonderful works?  
And then will I profess unto them,  
I never knew you:  
Depart from me,  
Ye that work iniquity.  
Matthew 7:21-23

It may shock some that Christ does not offer clemency to those who genuinely believed they were serving his cause but failed to understand his doctrine correctly. Could it be that their shoddy work brought descent people who might otherwise have been saved into the receiving arms of their destroyer? Anyone believing that Christ is the meek fool that Pope Francis routinely describes-think again! Two thousand years ago he came to this earth as a commander-in-chief on a suicide mission to save lives. If anyone claiming to be his body on the

ground fails to represent him according to his standard Christ will one day deal with that individual as he would any other murderer!

**Thou shalt not take the name of the Lord thy God in vain;  
For the Lord will not hold him guiltless that taketh his name in  
vain.**

Exodus 20:7

And he said unto me,

What seest thou?

And I answered,

I see a flying roll;

The length thereof is twenty cubits,  
and the breadth thereof ten cubits.

Then said he unto me,

**This is the curse that goeth forth over the face of the whole  
earth:**

For every one that stealeth shall be cut off  
as on this side according to it;

and every one that sweareth shall be cut off  
as on that side according to it.

I will bring it forth,

Saith the Lord of hosts,

**and it shall enter into the house of the thief,  
and into the house of him that sweareth falsely by my name:**

and it shall remain in the midst of his house,

and shall consume it with the timber thereof and the stones thereof.

Zechariah 5:2-4

It is important to acknowledge the reality that the Edomic race is indeed the group of imposters that 'call themselves Jews and are not but do lie'. (Rev 2:9;3:9) These descendants of Esau had already successfully infiltrated political power positions over their authentic Jewish cousins in Jerusalem 2,000 years ago. Certainly Herod, governor of Judea, was of the Edomic bloodline which explains why he attempted to kill Christ, Messiah of the Jews, upon hearing of his birth. Furthermore, most of the Pharisees that pursued (ie stalked) Christ throughout his ministry in an attempt to discover political accusations that could be used against him in the Roman courts were also Edomic. These were the men Christ accused of being children of the devil.

Ye are of your father the devil,

And the lusts of your father ye will do.

He was a murderer from the beginning,

And abode not in the truth,

Because there is not truth in him.

When he speaketh a lie,

He speaketh of his own:

**For he is a liar,  
And the father of it.  
John 8:44**

Today many authentic Jews have been mousetrapped in Israel having been lured there by the Edomic political elite that continues to reign over them. The historical mission of these Edomic power brokers has been to relentlessly foment the hatred and war against the Jewish people that is intended to one day result in complete annihilation of their nation along with the morality they have conduited from Jehovah to the rest of the world. Few anti semites concern themselves with the fact that Orthodox Jews are horrified by the Edomic 'Zionist' usurping of Palestinian territory in the name of YHWH's prophetic promise of a latter-day re-gathering. One has merely to research the 'Star of Molech' to confirm the fact that the nation of Israel is governed by the enemies of YHWH and is antithetical to the rules of biblical legitimacy.

Moreover, these Edomic Kabbalist-practicing Khazarians are complicit with British Freemason and German Illuminati mystics in the forging of the New World Order, also known as the Fourth Germanic Reich. Today the puppeteering Nazi warlords are surreptitiously headquartered in Chile but operate with the ironclad control for which Naziism is famous through their primary representative organizations, the United Nations and the Vatican in Rome. These are the direct descendants of the Nazi war criminals that fled to South America after World War 2 and their mission is to complete what their forefathers began. They constitute a self-proclaimed master race of gods with the very real agenda of mercilessly subjugating what they will allow to remain of the human race to an impoverished and immobile servant status suitable to their needs. In the bible their military culture was known as Assyria and in the book of Daniel it was termed the king of the north. Theirs was the empire that conquered Samaria and scattered the 10 Northern tribes of Israel throughout its vast territories approximately 700 years prior to the arrival of Christ.

Meanwhile, the king of the south, Islam, is currently the more visible of the partners whose function it is to accomplish most of the hands on cultural degradation in the once sovereign nations they have invaded in order to make way for the forthcoming global synthesization. As any Targeted Individual can attest through firsthand experience, the impending infrastructure will be mercilessly controlled by Nazi technological advancements in the form of RFID chips, inescapable voice and camera monitors from which homes and cars will not be exempt as well as invasive methods of physical and psychological torture implemented upon their victims until they have finally been broken into subhuman compliance or, in many cases, until they are fully 'exterminated'.

If unopposed, the enforcers of this surreal human nightmare would be a highly militarized, centrally controlled police force comprised of carefully selected psychopathic bullies. Even today, the preponderance of gangstalking vehicles are BMW's and Mercedes, Germanic vehicles fitted with the latest in predatory tracking devices and mostly driven by the black Nation of Islam collaborators who are willing to sell their souls and the hope of humanity for the bargain price of a shiny new car. Granted, Naziism and Islam are unusual co-conspirators for whom the potential of an ultimate showdown is inevitable but for the moment they are consolidated in their effort to eradicate the Judeo-Christian hope to restore humanity to its original estate on the earth.

Not many Christians are aware that 'Egypt' is the scriptural metaphor for what those-in-the-know call 'The Games'. This was Eve's great sin - the fact that she unwittingly contracted the human species into the Satanically-owned game (aka Karmic) world in which we live. The sad reality is that those who reign over this global chess match are ***NOT*** our friends. Thus, when Oprah, Islamists or the Pope suggest that there are many paths leading to the 'Creator' it would serve one well to question just who is being referenced - the Creator of humanity or the 'architect' of ***this*** world.

**Paul's Words:**

But if our gospel be hid, it is hid to them that are lost:

4 In whom ***the god of this world hath blinded the minds of them which believe not,***

lest the light of the glorious gospel of Christ,  
who is the image of God,  
should shine unto them.

2Corinthians 4:3-4

It is a little known fact that the Hebrew 'Ha Satan' translates to 'The Satan', meaning a society or community of beings. Liars and cheats from its inception, those who run our delusional stage have stacked the odds heavily in their favor by teaching ***their children*** critical secret knowledge that has either been withheld from or delivered in perverted form to humanity's marginalized & suffering masses. Magic is nothing more than being '*in on*' the rules of the game. It is the twisted art of inflicting one's own ***karmic retribution*** onto innocent lives while reaping their rightful rewards.

**Re: Fallen Angels:**

Then they took wives,  
each choosing for himself;  
when they began to approach,  
and with whom they cohabited;

**teaching them sorcery, incantations,  
and the dividing of roots and trees.**

Enoch 7(Section 2):10

see also Genesis 6:1-5

**God's Words to the Fallen Angels Through Enoch:**

....In heaven have you been;

secret things, however have not been manifest to you;

**yet have you known a reprobated mystery.**

**And this you have related to women in the hardness of your  
heart,**

**and by that mystery have women and mankind multiplied evils  
upon the earth.**

Enoch 16(Section 3):2-4

Christ countered this brutal inequity brilliantly when he took the sins of humanity upon himself, thereby providing for us the privilege of turning to him for the forgiveness of our many short-comings. He is our Priest-King-Advocate in the heavenly courts. While the responsibility for reaping that which we have sown remains undiminished, this precious gift of forgiveness paroles us out of Satanic imprisonment and restores to us the opportunity to return to 'GO' so that we can carry on in this obligatory human contest.

Wherefore seeing we also are compassed about with so great a cloud of witnesses,

let us lay aside every weight, and the sin which doth so easily beset us,  
and **let us run with patience the race that is set before us.....**

Hebrews 12:1

And what exactly is this race? This is what Paul had to say:

But none of these things move me,

neither count I my life dear unto myself,

**so that I might finish my course with joy,**

**and the ministry, which I have received of the Lord Jesus,**

**to testify the gospel of the grace of God.**

Acts 20:24

What the Jews to whom Paul was speaking understood was the fact that, while Christ's gift of forgiveness was impossible to repay, it nonetheless conscripted the recipient to unite in Christ's mission to save the rest of humanity. From the time of their exodus from Egyptian bondage the Israelites knew that Jehovah's plan for them was to constitute his front line of Resistance Fighters. The failure of their successive generations to be consistent in this role was attributable to the foibles

and obstacles that beset all of human societies, the most egregious among them being the fact that children are prone to undervalue and neglect the privileges their fathers suffered to provide them while the once impassioned elders ultimately exhaust in despair.

Eventually the entire house of Israel was overtaken by its enemies. The Northern 10 tribes were dispersed throughout Assyria and almost 4 centuries later the Jews were carried into the territories of Babylonia - today's Iraq. By the time Christ arrived in Jerusalem 500 years after the Babylonian invasion, the few Jews that remained loyal to YHWH had been rendered helpless by their enemies. The Romans, fearing seditious rebellion, ruled with an unforgiving militaristic brutality. At the same time, Edomic imposters were successful in usurping Judaic positions of religious authority to which they had no legitimate claim. The pretense of Edomic piety combined with their imposition of a false doctrine that embraced Kabbalistic paganism and an oppressive set of legal contrivances known as the 'Oral Law' allowed them to establish an insidious and highly effective psychological supremacy over their Jewish cousins. The love and intimacy that once existed between Jehovah and his people was distorted to the extent that upon the arrival of Christ the Jews lacked both the instinctive discernment as well as the doctrinal insight to recognize him as their prophesied messiah. The greatest tragedy of all was that the heavily infiltrated Pharisaic leadership was successful in using purposefully contrived Edomic doctrinal distortions to convince their unwitting Jewish supplicants to call for the execution of their own savior. Make no mistake, this precise historical pattern of self-sabotage among those seeking redemption is reproducing itself today within the Christian community.

Although our adversaries are content to have us believe that Jehovah is responsible for all the evil in this world there is little he can do to reverse the course of events if we refuse to take responsibility for our own lack of cooperation. Time and time again *free will* has turned out to be humanity's greatest liability. Today's 'Christians' are shamelessly manipulated devotees of *the god that owns all the money in the world and maintains everything 'as it should be', the god that 'already won the war'*. Make no mistake - authentic Christianity is still not the dominant religion on this planet. Once the followers of the many false Christian doctrines are extracted from the count the reality is that what remains is only a small number of dedicated, often exhausted and always discredited resistance fighters still rightly known as Christ's 'Little Flock'.

If it is correct to say that 'Egypt' is the bible's metaphorical representation of what glib occultists call 'The Games', then it should be clear that the core work of Jehovah and his Son has been to rescue the righteous from

this tragic karmic scenario that is purposefully orchestrated to repeatedly break our hearts and strip us of the peace, love & hope we were meant to manifest without the consistent humiliation of being paid back with a 'fool's reward'. Chronic emotional weakening has successfully impeded our progress both on the level of the individual as well as the communal. It is a highly effective process that subtly annihilates the hope for humankind to aspire to its fullest collective potential. YHWH's intention has been to pull as many as possible out of this world into which we have been quarantined and onto a 'new earth' where the games are non-existent. In reality, the bible is nothing less than a poignant historical love story of a compassionate and loyal God for his creation.

### WISDOMABOVEGOLD.COM

Sadly, many misguided Christians have been trained to expect Christ to carry them on his back into the promised land, wholly ignoring their own responsibilities to participate in the arduous process. In fact, few even understand the difference between emotional health and decay, choosing to habitually rely upon the corruptive and debilitating indoctrinations of the media, universities, apostate institutional churches and medical establishment to order their steps - the very organizations that are owned or manipulated by the enemies of human sanity. What is more, Christians of the western world can rarely be depended upon to discern the sharp dichotomy that exists between being a 'good' American and being a good Christian.

Just as the generation of Israelites that was led by Moses out of Egypt failed to enter their intended destination, we are not 'guaranteed' a global paradise unless we finish this fight for freedom. The Hebrews that escaped their Egyptian taskmasters during the Exodus had great conceptual advantages for the creation of a new vision, especially given the fact that they had witnessed many extraordinary protective miracles including the parting of the Red Sea. Nevertheless, Jehovah was unable to complete the healing process in these people for the sad reason that they consistently 'chose' bondage over freedom - dogs returning to their own vomit. As the saying goes, although the God of the Israelites was able to take his people out of Egypt he was unable to take 'Egypt' out of his people. While escape from physical enslavement was doable, escape from its emotional scarring and seductive entanglements proved to be far more intractable. In his wisdom, Jehovah had to concede the fact that the infected vision of life retained by the Hebrew tribes was tragically well beyond its curable stage in spite of their heroic success in making the arduous journey into the safety of the desert wilderness. His only recourse was to himself raise up a second generation of emotionally uncompromising individuals that would prefer death to the twisted emotional enslavements of their forefathers.

Today most Christians would be devastated to learn that the call to battle first given to the Israelites in the wilderness remains unchanged. The price of salvation means one has contracted oneself to warrior status. This is where the first twinge of belly cramps come in. Most Christians are waiting for Christ to come and make it all better. Meanwhile, Christ is waiting for them to get off their lazy arses & get to work! As babies are being beheaded in Syria and men nailed to crosses in Egypt the complacent American 'Christian' is critiquing whether the minister's last sermon was sufficiently edifying to help them through yet another week of soft beds and more than adequate nutrition.

The first born son, Israel, failed in its mission to bring many other sons to Christ. YHWH was compelled instead to move to his plan B, transferring the assignment of spreading Christ's good news to the gentile nations. In so doing, the hope was that the prodigal first-born, Israel, would be moved to jealousy and ultimately reunited into Christ's protected family. However, the sad reality is that the Jews can never be 'moved to jealousy' by the superfluous 'replacement' doctrines of Roman Catholicism and apostate Protestantism, especially given the fact that all of these heretical canons have been unabashedly dissociated from the Jewish doctrinal culture into which they were meant to have remained rooted. Until and unless Christianity becomes wholly united under the *only* authentic teaching of Christ, none of its many versions will permit the 'commission of the gentiles' to be accomplished.

Have they (the Jews) stumbled that they should fall?

God forbid:

but rather through their fall salvation is come unto the Gentiles,  
for to provoke them to jealousy.

12 Now if the fall of them be the riches of the world,  
and the diminishing of them the riches of the Gentiles;  
how much more their fulness?

13 For I speak to you Gentiles,  
inasmuch as I am the apostle of the Gentiles,  
I magnify mine office:

14 If by any means I may provoke to emulation them which are my flesh,  
and might save some of them.

15 For if the casting away of them be the reconciling of the  
world,

what shall the receiving of them be,  
but life from the dead?

16 For if the firstfruit be holy,  
the lump is also holy:  
and if the root (the Jews) be holy,  
so are the branches (the gentiles).

17 And if some of the branches be broken off,  
and thou, being a wild olive tree, wert grafted in among them,  
and with them partakest of the root and fatness of the olive tree;

18 Boast not against the branches.

But if thou boast,  
**thou bearest not the root,**  
**but the root thee.**

19 Thou wilt say then,  
The branches were broken off,  
that I might be grafted in.

20 Well; because of unbelief they were broken off,  
and thou standest by faith.

**Be not highminded, but fear:**

**21 For if God spared not the natural branches,**  
**take heed lest he also spare not thee.**

22 Behold therefore the goodness and severity of God:  
on them which fell, severity;  
but toward thee, goodness,  
if thou continue in his goodness:  
otherwise thou also shalt be cut off.

23 And they also, if they abide not still in unbelief,  
shall be grafted in:

for God is able to graft them in again.

24 For if thou wert cut out of the olive tree which is wild by nature,  
and wert grafted contrary to nature into a good olive tree:

how much more shall these,  
which be the natural branches,  
be grafted into their own olive tree?

**25 For I would not, brethren,**  
**that ye should be ignorant of this mystery,**  
**lest ye should be wise in your own conceits;**  
**that blindness in part is happened to Israel,**  
**until the fulness of the Gentiles be come in.**

**26 And so all Israel shall be saved....**

Romans 11:1-26

When Christ told Peter that to love him was to 'feed his sheep', he was making direct reference to the 'lost' sheep of Israel. This plea that Christ made to one claiming to love him remains unchanged. The first and perhaps only, expression of love Christ clearly demanded of his followers was the extra-special care and inclusion of the prodigal, first-born son. These people are, after all, Christ's immediate family.

So when they had dined,  
Jesus saith to Simon Peter,  
Simon, son of Jonas,

lovest thou me more than these?  
He saith unto him, Yea, Lord;  
thou knowest that I love thee.  
He saith unto him,  
**Feed my lambs.**  
16 He saith to him again the second time,  
Simon, son of Jonas, lovest thou me?  
He saith unto him,  
Yea, Lord; thou knowest that I love thee.  
He saith unto him,  
**Feed my sheep.**  
17 He saith unto him the third time,  
Simon, son of Jonas, lovest thou me?  
Peter was grieved because he said unto him the third time,  
Lovest thou me?  
And he said unto him, Lord, thou knowest all things;  
thou knowest that I love thee.  
Jesus saith unto him,  
**Feed my sheep.**  
John 21:15-17

These twelve Jesus sent forth,  
and commanded them, saying,  
**Go not into the way of the Gentiles,**  
and into any city of the Samaritans enter ye not:  
**6 But go rather to the lost sheep of the house of Israel.**  
Matthew 10:5-6

Yet, rather than loving the Jews and embracing them into the flock of Christ, the gentile communities have demonstrated great disdain for their elder brother, declaring that their new, albeit, unauthorized doctrines 'replaced' the old static Jewish version. Where in biblical text does it say that the gentiles were ever transferred the divine authority to tamper with the 'oracles of God' and to establish their own (fractured) 'Christian' cultures?

The answer is *nowhere!*

**What advantage then hath the Jew?**  
**or what profit is there of circumcision?**

**Much every way:**  
**chiefly, because that unto them were committed the oracles of**  
**God.**

Romans 3:1-2

In spite of Paul's warning to the gentiles to resist the human tendency to stray from doctrinal understanding, the gentile nations that were 'grafted into' the Jewish oracular root have not only repeated the mistakes of their

older brother by failing to accurately assess contemporary fulfillment of biblical prophecies, they have also adopted in a plethora of new corruptions by having abandoned viable mosaic laws and embracing antagonistic pagan practices.

Do we then make void the law through faith?

God forbid:

yea, we establish the law.

Romans 3:31

At the same time, good-willed but dangerously uninformed Christians around the world make the mistake of praying regularly for the protection of the Israeli statehood and government. They are literally praying to empower some of the most notorious enemies of Christ. *The nation of Israel is its people!* Only a very small percentage of them are now living on Israeli territory and those that do are certainly not in positions of authoritative government control. In fact, many Jews living in Jerusalem during the early Islamic invasions were forced-converted to Islam. Today, they are living under the control of an abusive Israeli social order as poverty-stricken Palestinians.

Meanwhile, most members of the biblical 'nation of Israel' are still scattered across the earth having no knowledge of their ancestral identity or divine heritage. These are in fact the Targeted Individuals that are being systematically tormented and covertly murdered for reasons they do not understand. These are Jehovah's beloved, his lost sheep, the very people Christ commanded his disciples to give care if they loved him. **The truth is that without an immediate and massive source of concerted spiritual, emotional and monetary support from their gentile brethren, the authentic people of Israel cannot possibly hope to survive the calculated assaults that have been thus far effectively, silently launched against them. One must ask also what hope will remain for branches that have no root?**

The Islamic Tower of Babel is terrifyingly near to its completion. Yet, masses of immature Christians whose substantively unproductive lives are overcome with unnecessary spiritual tethering routinely whine with indignation at the prospect of having to relinquish the pagan rituals of Christmas gift-giving, Easter celebration and Sunday worship. As the final hour of opportunity is fast approaching, Christ is in desperate need of emotionally quick-on-the-uptake officers to promote his one and only doctrine of Truth. Yet, in spite of the urgency and the dire consequences that threateningly loom over us, most 'believers' simply refuse to abandon the apostate doctrinal traditions of their youth. Ironically, they seem to be expecting the first born Israelites to

unite under their vapid understanding of the Christian cause. Yet, it is prophesied that even in this latter-day period it would remain incumbent upon the (messianic) Jew to teach the gentile Christian.

Thus saith the LORD of hosts;  
**In those days it shall come to pass,**  
**that ten men shall take hold out of all languages of the nations,**  
**even shall take hold of the skirt of him that is a Jew, saying,**  
**We will go with you:**  
**for we have heard that God is with you.**  
Zechariah 8:23

This earth is clearly destined to speak one language in the very near future. Will it be the suffocated, furtively lurid, doctrine of the Islamic anti-Christ or will it be Jehovah's doctrine of freedom from Satanic entanglement? This is literally the last end-game moment when the divine gift of *free will* either damns humanity to another, perhaps even more brutal, 7,000-year Age of darkness or it finally pries open the gateway of hope that restores humankind to its intended state of independence from the cruel dominion of the Satanic collective. No one can be exempted from the burden of decision-making. Therefore, it is incumbent upon each of us to remember that this is a decision that is as inescapably consequential as was Eve's in the garden. As in any war, blind complacency is counted as an act of treason. The time has come and you and I must choose....

Christ's words:  
...and there shall be one flock and one shepherd.  
John 10:16
