

I'm a T.I. I have been aware of this for about 9 months. Before that, I would guess I knew something was wrong for about two years. I am writing this to give testimony to God's awesome power, and only through Him and Him alone can you be free from the evil one or Satan himself. I have made the choice to give my faith, life, soul, and consciousness to God, Jesus, and the Holy Spirit inside me. Within 3.5 weeks of much soul searching and purging of pride and rebellion, I am pleased to say that I no longer suffer from erratic muscle spasms, painful ringing in the ears, vertigo, and the like; not only in my house, but all the homes of friends and loved ones where the attacks never stopped before.
