

I humbly offer my testimony only to give it freely to help another. I am a targeted individual in the extreme. I know GOD called me and I did not hear his call. He In turn gave me a great delusion so I may call upon him to be save and be granted a hedge of protection as JOB had.

I believe it is a great HONOR to be a TARGET. I prayed to see and hear in the spirit and he granted it freely. He left it to me to wade through the many lies. I finally saw this is a great battle for our minds and our SOULS. I dropped and called to him and gave all that I am and ever will become to him and asked for forgiveness for all I had done to myself and others. I did this whole-heartedly. He has allowed me to see the great battle that most never see or know exists. I pray everyday and ask for forgiveness and direction and wisdom.

I know time is short. I now do not love my life unto death. I seek only truth so I may stand before him so he knows me and I know him. I do not have any reason to believe the targeting will ever stop. For it is a war for our souls and Christ was targeted unto death and it continues to this very day. We must know we have been called so we may be chosen. Make no mistake this is a serious war and I am called and chosen to be a warrior and commander and I accept it without question. I pray you know you are being called so you too may be chosen.

Come what may in the armor of GOD.

Byron
