

**Hello, my name is Cathy J. I was at one time the subject of organized stalking. By the miraculous grace of Yeshua and our Creator Jehovah God, however, all these torments have ceased! By getting in right standing with the Creator of the universe my world has changed! I had to repent of a lot of the things that I had been doing including a lot of things I did not want to give up. Among them were cigarette smoking, fast food & laziness. Having done so I have found true peace and happiness. I found out the true meaning of repentance and it has changed my life. What is utterly intriguing about this experience is that now that I am completely justified in God's eyes, I have His authority. Demonic forces must flee!**  
**Cathy J**

**What follows is a letter I emailed to Christian TV personality Joni Lamb. As you will see, when I wrote this communication I was still thinking in the "natural". My focus was in wanting her to understand my pain, and the tragic suffering I face. But the reality is, I was thinking in an un-Godly way. I hadn't, truly, "gotten it". Please read this email with the understanding that my perspective is far different today than when I wrote it:**

**Dear Joni - It is important to keep this brief, so here goes. I have, for seventeen years, been the subject of an extreme form of torment. I have been spied upon, harassed in extremely malicious ways, slandered so severely my own family (and we are a tight-knit group) wouldn't even talk to me, mobbed at work so I could no longer be gainfully employed, and tortured mentally to such a degree that I feared for my sanity. I have attempted suicide more than once, due to this situation. The author of this suffering? The "Church" of SCIENTOLOGY. I was on staff with them in my teens, and left without "permission". This is an unpardonable sin in their eyes. What makes it worse -I have NOTHING nice to say about them. Period. I know things about them, you see. I CULLED their central files while on staff in their "Sea Organization". Maam, I have a HORRIFIC story to tell. It isn't only MY life at stake. There are COUNTLESS other people being similarly "targeted". I work with these people. Listening to their painful stories (and they are PAINFUL, believe me) and praying with them. WE HAVE NO FORMAL MINISTRY TO HELP US!!! I would like to share my (our) story with you. Not all of us are victimized by the cult of Scientology. They are only one of the many vectors of a modern-day form of torture. TARGETING. I am the subject of ORGANIZED STALKING. You may have heard of this. But what you may NOT know is that MILLIONS OF PEOPLE OVER THE GLOBE are being persecuted - in a thoroughly VILE way. The "end-game" for the people perpetrating this evil? Their favorite? SUICIDE. THEREFORE THEIR HANDS ARE "CLEAN". I am going to send a further email, if you will allow. It is actually a letter. Please read it. Many lives are at stake! I don't want one more person to die by their own hand!!!! Thank you! Your sister in Christ, Catherine Jarvis**

In retrospect I wish I had written this missive far differently. Given my newly acquired insights, here's what I would have written today:

Dear Joni - I don't want to burden you with my problems. I simply want to send a PRAISE REPORT! I have been calling your Prayer Partners for some time regarding a situation I had in my life for 17 years. I was once what is known as a Targeted Individual (or TI). I believed I had been spied upon, stalked and harassed by a controversial "mind-science" cult. While they are known for "targeting" people, I believe now that satan is given license, by God, to do harm to people who were formerly IN THE CULT. They, in essence, had a contract with the devil, because they PARTICIPATED IN IT. Until that contract is broken (the CURSE is lifted) God's hands are tied. Ever the legalist, satan points out to God that he still has that contractual agreement. And if that person also has sin (inability to forgive, covetousness, pride, etc.) in their lives then the hold is even greater. It is my belief now that my targeting was but a symptom of a far deeper SPIRITUAL MALADY. Since I have discovered this, and repented to God in deep travail, SINCERELY, the truly miraculous has happened. I AM NO LONGER A TARGET. ALL OF THE "SYMPTOMS" ARE GONE!!! Thanks for all you folks have done. I am sending a copy of this email to the prayer partners who have been so faithful to intercede for me. And thank you for your time. I am now in the process of writing a book. As Christians we tend to look far too much to the "natural". I want to expose the lie that there is "no hope" for targeted people. Indeed, for the sick, and impoverished as well! God is ALMIGHTY. HE CAN CHANGE ANY SITUATION WE FIND OURSELVES IN, IF WE APPROACH HIM PROPERLY! May God bless you, yours, and everyone in your ministry.

Your sister in Christ, Catherine Jarvis
